All racers must be
spayed/neutered.

RULES of the Dash:

- 1) Each dog is permitted to have one handler at the start line and one handler at the finish line.
- 2) Dogs must start the dash with all paws on the ground, behind the start line. When the dash begins, the dog is released by the handler, not tossed or thrown.
- 3) Handlers at the finish line must remain behind the finish line, and are not allowed to reach across the finish line. They must wait for all paws of their dog to cross the finish line.
- 4) If a handler reaches across the line, their dog will be **disqualified**.
- 5) All judges decisions are final.

New for this year we will be setting up a donation Kennel. We are hoping that participants might each bring an item for the kennel. All items collected will be donated to MWDR for the fosters. You can see the items most needed by visiting www.mwdr.org. (the site has just been re-designed, if you haven't seen it recently, check it out!). Items usually needed include potty pads, collars, leashes, flea/tick collars, gift cards for Petco/PetSmart, Nature's Miracle, toys.....

Awards will be held approximately 30 minutes after the final dash is completed. Raffle drawings will be held on Sunday, September 25th at 5:00 pm. (Do not need to be present to win.)
