**INCORPORATED – 1974**

**FEBRUARY 2017**

Hello to all of you and thanks again for taking the time to read this letter.

As some of you may know, we have an opening on our board. If anyone is interested, talk to an existing board member or give the Society a call. There seems to be a lack of interest in what we do. If that is the case, maybe some new "blood" on the board will help get people interested. We meet once a month. The meetings normally take less than an hour. Please, come join us.

We will be planting seedlings again this spring. The ones that weren't mowed over seem to be doing well. We will attempt to do a better job of marking these so we don't lose so many to the "mad mower". We have also started looking into getting a trail to extend around the park, and get the archery area linked with the parking lot. The little free library has been moved to make it accessible year round.

I have also begun talking to the High School wood shop teacher to see if we can get some picnic tables built. These would become Historical Society property and would stay in Dheinsville.

There have been meetings to get a project that is long overdue on the fast track. We have been talking for many years about getting some recognition for Irene Blau and the rest of those responsible for starting the GHS. Those meetings have been ongoing and I hope we have something ready for the wine and cheese hour. Wouldn't that be great? Other happenings at the church museum will include new storm windows to cover the repaired stained glass windows on the steeple. Repainting the trim and doors, front and back. I would also like to take a "peek" behind the (2) round window openings on the north wall. If anyone has info about what might be hidden let me know.

Some other projects that are going on are; going through the items in the church balcony and the upstairs of the Wolf haus, painting the summer kitchen, re-roofing the pancake wagon and some new plantings all around the park.

Elsewhere in this newsletter you may see the dates for this year's Bier Gardens. If we don't get more volunteer help we will not do these. Too few people are doing way too much around here and we need more help. If you are interested call us at 262-628-3170.

Oktoberfest always could use more help. We need to find someone who has some hours to help get donors/sponsors. There are a lot of new companies in the village and a few of them have German roots. Any ideas? We will also need some help to build a new bar for Oktoberfest. Let us know if you can help.

The Festhalle continues to move at a snail's pace. I am working with the Washington County tourism director on this. Let's hope we can begin to pick up to at least a tortoise's gate. I really feel that this will be a good thing for the park, not just something that will sit unused for most of the year. We don't have as many connections as we could use, but, we are committed to getting this done.

Please check out our calendar for other upcoming events. We are always looking for new fundraising ideas, maybe a road rally or scavenger hunt. Possibly a picnic during the summer would work. We are open to suggestions.

Thank you,  
Jeff Dhein  
President
