About Us

--The Germantown Historical Society is dedicated to preserving and sharing the history of the people of Germantown. We operate 3 unique museums located in Historic Dheinsville Park.

--The Christ Church Local Museum is listed on the National Register of Historic Places, and the building dates from 1862. The building also contains many local historical artifacts.

--The Valentine Wolf Haus and Shoemaker Shop is a unique and rare half-timber building which was constructed in 1854. It also houses our genealogy resource center and historic documents.

--The Sila Lydia Bast Bell Museum is one of the largest private collections of bells in the entire country, and is beautifully displayed inside our fully restored 1870's barn.

---We also sponsor our annual Oktoberfest event in Historic Dheinsville Park.

We are a nonprofit 501(c)3 organization founded in 1974. We can only fulfill our mission through the help of many volunteers and your generous donations.
